## Let's bring before the Lord in our prayers:

- We pray for those who are in Nursing Homes and Retirements communities, or shut in that are unable to join us in Worship. They are feeling a disconnect and are missing in person worship. We ask that God will come to them and renew their spirits. We think of Mary T., Hal-lowell House is in lockdown due to Covid and can not have visitors. Please keep the residence and staff in your prayers.
- Gail W., Annie N., and Grada N..
- For the poor in our community, we ask the Lord to supply their needs.
- For those who have addictions, or convictions, we pray that they can lift those burdens to you Lord and know that they are not alone , and that you still love them.
- For those in the world who are suffering because of War and conflict. Sometimes its in our home, sometimes it's places like Gaza, and Ukraine.
- We are thankful Lord, for those who have accepted your call to be Elders, Deacons, and Volunteers to serve within our Church. Pray over these individuals as they deal with matters that affect the operations and ministries of our Church. Fill them with the Holy Spirit when they feel discouraged and are pulled down spiritually. We pray for our Congregation as they too feel discouraged at times. We pray for your help to feel joy and encouragement. "We are your Church, we need your power in Us, fill us with the strength and love of Christ" We may not always agree, so help us to work together for your good.

*The LORD is near to all who call on Him, to all who call on Him in truth.*

*Psalms 145:18-*
